AECOM Internships 2023 / 2024 New Application

Description

Join AECOM's internship program to gain valuable hands-on experience and exposure in the diverse fields of engineering, design, construction, and consulting services. As an intern at AECOM, you will have the opportunity to work on exciting projects, learn from industry experts, and contribute to meaningful initiatives that shape our world.

Responsibilities

- Collaborate with project teams to support various phases of engineering, design, or consulting projects.
- Conduct research, collect data, and assist in analyzing information to contribute to project deliverables.
- Participate in meetings, workshops, and training sessions to enhance technical skills and industry knowledge.
- Assist in preparing reports, presentations, and documentation required for project milestones.
- Engage in hands-on tasks to understand project requirements and contribute to innovative solutions.

Qualifications

- Pursuing or recently completed a degree in engineering, architecture, environmental sciences, construction management, or related fields.
- Strong academic performance and a passion for the chosen field of study.
- Excellent communication skills and the ability to work effectively within a team.
- Proficiency in relevant software and technical tools.
- Proactive attitude, eagerness to learn, and adaptability in a dynamic work environment.

Job Benefits

- Exposure to diverse projects and real-world challenges across multiple disciplines.
- Mentorship and guidance from experienced professionals in the industry.
- Networking opportunities and exposure to AECOM's global operations.
- Potential for career advancement and consideration for future employment opportunities based on performance.

Contacts

Interested candidates should visit the AECOM Careers website or contact the HR department for current internship opportunities. Submit your application along with a resume and a cover letter highlighting your qualifications and interest in the chosen field.
