

Teck Resources Internships Latest Hiring 2024

Description

Teck Resources is offering dynamic internship opportunities for students eager to gain hands-on experience in the mining and resource industry. As a leading diversified mining company, Teck provides a supportive environment for interns to contribute meaningfully to real-world projects while learning from industry experts. Interns will have the opportunity to work on various aspects of mining operations, sustainability initiatives, community engagement projects, and more, gaining invaluable skills and insights that will shape their future careers.

Responsibilities

- Collaborate with team members on ongoing projects related to mining operations, environmental stewardship, and community development.
- Conduct research, data analysis, and report writing to support project objectives.
- Assist in the implementation of sustainability initiatives and strategies.
- Participate in fieldwork and site visits to gain practical experience in mining operations and environmental management.
- Engage with stakeholders including local communities, government agencies, and non-profit organizations to support Teck's commitment to responsible resource development.
- Contribute ideas and innovative solutions to enhance operational efficiency and sustainability practices.
- Attend meetings, workshops, and training sessions to further develop skills and knowledge in the mining industry.

Qualifications

- Currently enrolled in a Bachelor's or Master's degree program in Mining Engineering, Environmental Science, Sustainability, Business Administration, or related field.
- Strong academic record with a minimum GPA of 3.0 (on a 4.0 scale) preferred.
- Excellent communication skills, both written and verbal.
- Ability to work independently and collaboratively in a fast-paced environment.
- Demonstrated interest in the mining and resource industry, with a commitment to sustainability and corporate responsibility.
- Proficiency in Microsoft Office Suite and data analysis tools.
- Prior internship or relevant work experience is a plus.

Job Benefits

- Hands-on experience: Gain practical experience and industry knowledge through meaningful projects and mentorship from experienced professionals.
- Networking opportunities: Build valuable connections within the industry and expand your professional network.
